06. ECA AT A GLANCE

01. PRIMARY ECAs

AN ECA CONFIRMATION EMAIL WILL BE SENT TO EACH CHILD AND PARENTS FOR THEIR RESPECTIVE ECAS BY THE END OF THE SECOND WEEK OF SCHOOL.

YOU WILL THEN BE ABLE TO LOG IN TO EDULINK TO CHECK WHICH ECAS YOUR CHILD HAS BEEN ENROLLED IN AND THE DETAILS.

A

Architect Club (Year 4 to 6)

Construct structures with toothpick & clay- a fun STEM activity, offers benefits in various areas. It fosters critical thinking, problem-solving and spatial reasoning.

Art and Craft (Year 2 to 8)

A creative and hands-on club where students explore a variety of art and craft techniques. The ECA encourages imagination, fine motor skills, and self-expression while allowing students to create fun and meaningful projects in a relaxed, supportive environment.

Art Attack (Year 2 to 6)

Art Attack is all about unleashing creativity and imagination through fun, hands-on art projects.

Art Club (Year 1 to 6)

An opportunity for children to explore their creative side through different art media and techniques. Students enjoy a relaxing art session with like minded students who love art, overseen by skillful teachers. All art materials are supplied.

B

Badminton (Year 5 to 6)

Come and enjoy playing badminton with your friends and improve your skills and knowledge of the game.

Bead Stitching (Year 2 to 6)

Bead stitching is a creative and relaxing activity where students learn how to design and handcraft beautiful accessories using different beadwork techniques.

Board Games (Year 1 to 6)

Come and enjoy playing different games like Dobble, Uno and many more!

Brain Games (Year 2 to 6)

A fun and engaging club that challenges students through puzzles, logic games, strategy activities, and problem-solving tasks. Brain Games helps develop critical thinking, concentration, and teamwork while encouraging students to think creatively and enjoy learning through play.

Brass Ensemble (Year 5 to 11)

(Invite only) All those who receive Brass lessons from Mr Hisab.

C

Choir (Year 4 to 13)

Whole School Choir is a joyful and collaborative space for students from Year 4 upwards and even staff, to come together and celebrate music. This ECA encourages teamwork, confidence, and a love for music, while providing opportunities to showcase talent at school events and assemblies.

Construction Club (Year 1 to 3)

Let your imagination run wild in the Y1/2 Construction Club! Each week, children will have the opportunity to build with a variety of resources including Lego, building blocks and wooden nuts and bolts. You could build anything from a world-saving robot to an underwater theme park! We can't wait to see what our Imagin-eers build next.

Cooking (Reception)

(New members every new term) The children will have fun measuring, mixing and cooking the ingredients at cooking club. They will then bring what they have made home to share!

Craft and Create Club (Year 1 to 5)

A fun, hands-on club where students use a variety of materials to design and make creative craft projects, encouraging imagination, creativity, and confidence.

Crafty Club (Reception)

We're excited to launch a Craft Club just for our Reception children! This fun and creative club will give your little ones the chance to explore a wide range of hands-on art activities in a relaxed and supportive environment. A fantastic opportunity for children to express themselves, develop fine motor skills, and make new friends while having lots of arty fun!

Crafty Club (Year 1 to 4)

Join the Crafty Club ECA and let your creativity shine! This is the perfect place for primary students who love to make, design, and create. From fun DIY projects to exploring different materials and techniques, you'll get to make cool crafts, build new skills, and express your imagination.

Creative Club (Year 1 to 6)

Our creative clubs will open your mind, encourage you to try new things and develop your passions. Creating ideas and implementing that helps in improving learning, decision making, imagination, collaboration and teamwork among students.

Cricket (Year 4 to 8)

Join our Cricket ECA to develop your skills, teamwork, and love for the game. Learn the fundamentals and improve your technique. It is a great way to stay active, make new friends, and have fun.

Crochet (Year 2 to 8)

Crochet ECA teaches students the basics of crochet, from simple stitches to creating small handmade items. It's a creative activity that builds focus, patience, and fine motor skills.

Cultural Crafts (Year 4 to 6)

Our Cultural Crafts Club invites students on a creative journey! Each week, students explore traditional art and craft techniques while learning the stories and meanings behind them. A fun, hands-on way to spark creativity!

E

ECO Club (Year 4 to 8)

Students will take part in initiatives such as planting, creating eco-friendly crafts, and raising awareness about environmental issues within the school community.

Embroidery (Year 3 to 6)

Embroidery is a traditional yet creative craft where students learn the art of decorating fabric using needle and thread.

F

Football (Year 4 to 6)

Come and join the ECA for your age group to learn new skills, improve upon existing skills and experience playing games as a team in the Football ECA.

Fun Crafts (Year 1 to 6)

The Fun Crafts ECA sparks creativity and hands-on exploration through engaging art projects.

H

Hama Ironing Beads (Year 2 to 6)

Hama Ironing Beads Club is a fun and mindful activity that requires concentration and focus as well as skill in combining different colors of beads. It promotes creativity and imagination as children create various shapes using Hama beads.

I

ISB Big Band (Year 6 to 13)

ISB Big Band Rehearsal,. Any new students are welcome but should have a good level of performing skills on their instrument to ensure inclusion.

J

Jewelry Making (Year 1 to 6)

A creative club where students design and make their own jewelry using a variety of materials, developing fine motor skills, creativity, and an eye for design.

K

K-Pop (Year 3 to 13)

Love to dance? Join Groove Fusion and explore a vibrant mix of energetic and expressive dance styles from around the world! From the catchy beats of K-pop and C-pop to the elegance of Chinese traditional dance, the rhythms of Malay pop, and the grace of Malay traditional dance - this class has something for everyone. Learn cool moves, build confidence, and have fun expressing yourself through dance!

Kids Cheer Dance (Year 1 to 6)

Kids Cheer Dance is a great activity for both girls and boys. It is fun to dance to music with shaking pompoms. It will build confidence, friendship and teamwork. It is also a great way to build physical strength, flexibility and coordination.

L

Lego (Reception to Year 6)

The Lego ECA is the perfect opportunity for building children's fine motor skills as well as helping to promote the children's creativity and imagination.

M

Malay Learning Game (Permainan Bahasa) *For MFL Malay students only (Year 2 to 5)

Enriching students language skills in Malay through various types of learning aids that are appropriate to their age level.

Mandarin Beginner Clinic (Year 4 to 8)

(Invite only) This ECA is to provide new students with extra support in learning Mandarin.

Minecraft Education (Year 5 to 8)

Students are encouraged to bring and use their own devices for the sessions. Minecraft Education ECA allows students to explore, create, and collaborate in a virtual environment.

Mini Bs (Year 1 to 4)

The Mini Bs ECA encourages members to develop their skills and earn badges. Students participate in a variety of activities including treasure hunts, arts & crafts and games. Mini Bs is similar to Scouts. It is a continuous ECA during which children gain badges. Waiting list only and confirmation of any new places will be sent directly to parents via email.

Mini Gardening (Year 3 to 6)

A hands-on club where students learn the basics of planting, caring for plants and understanding nature while developing responsibility, patience and a love for the environment.

Mosaic and Pattern Makers (Year 3 to 6)

Children will explore the world of patterns, colour, and design through mosaic-making. Over the sessions, they'll learn how to plan and build their own mosaics using paper and mixed materials. From simple repeating shapes to collaborative group designs, children will develop precision and artistic expression while producing vibrant, textured artworks.

N

Needle and Thread Crochet (Year 2 to 8)

Needle and Thread Crochet ECA introduces students to the art of crochet, where they will learn basic stitching techniques to create simple patterns and handmade items. This activity helps develop creativity, patience, and fine motor skills.

Numbots (Year 1 to 6)

Reinforcing maths fluency.

P

Paint and Colour by Numbers (Year 3 to 6)

Enjoy calming colour by number activities.

R

Reading Club (Year 2 to 6)

To have opportunity to explore a wide range of different texts from many inspiring authors. You will be able to share your thoughts on what you have read whilst comparing your opinions with others.

Rubic Cube (Year 4 to 6)

Join Rubik "Cubed Up", the ultimate after-school club for Rubik's Cube enthusiasts! Over 12 weeks or less, we'll explore the cube's mysteries, for beginner's strategies. Dive into cube art, fun variations, and pattern recognition. Prepare for exciting in-house competitions. Unleash your cubing skills, make friends, and join the Rubix Cubed Up adventure!

S

Swimming (Year 1 to 6)

We have many different swimming ECAs depending on the age and ability of the student.

For primary students in years 1 – 6 the swimming sessions are based on whether students are beginners, intermediate or advanced. Please read the descriptions below to ensure that your child is doing a swimming ECA which is the correct level for them.

Beginner Swimming: For students who are learning to gain greater swimming confidence. They will work on submersion and water confidence and develop the ability to glide and float. These lessons are in a small pool with opportunities to enter the big pool at times.

Intermediate Swimming: The intermediate level is for students who can swim Front Crawl (freestyle) and who are now working on their back-stroke technique. These lessons take place in the big pool.

Advanced Swimming: This is for students who are refining the four competitive strokes and must be able to swim 25 meters in two strokes. They must be confident in the deep end of the big pool. Students will also be building their stamina as well as learning to dive. Only advanced swimmers are allowed in the slots and if swimmers are enrolled but not on the right level, they will be asked to change to the right class.

School Production (Year 4 to 13)

Please note: Invitation on successful audition. Times to extend per rehearsal schedule.

Sing and Dance ECA (Year 3 to 6)

An energetic and fun club where students enjoy singing and dancing together, building confidence, rhythm, coordination and a love for performance.

Sign and Sign - Makaton (Year 1 to 11)

Makaton is a communication system that combines speech, signs, and symbols to support people with learning or communication difficulties. Learn to use Makaton signing through fun songs!

Sketching and Mindfulness Coloring (Year 4 to 6)

Sketching Club is a relaxed and creative space where students can explore drawing techniques and express their ideas through art. Each week, we'll focus on a different theme or skill from shading to still life.

Survival Skills (Year 1 to 6)

A practical club that introduces students to basic survival and life skills such as problem-solving, teamwork, resilience and simple outdoor skills in a safe and engaging way.

T

Team Building (Year 4 to 6)

Team Building ECA engages students in fun activities and challenges that promote collaboration, communication, and problem-solving while strengthening teamwork skills.

Times Tables Rockstars (Year 2 to 6)

Do you want to be a TT Rockstar? Come and practice every week!

U

U11 FOBISIA Games Team Training (Year 5 to 6)

(Invite only) Team training for our selected Year 5 and Year 6 students attending the FOBISIA Games in Thailand.

U11 FOBISIA Swimming and Games (Year 5 to 8)

Team swim training for our selected students attending the FOBISIA Games in Thailand (Year 5, Year 6, Year 7, Year 8).

U11 FOBISIA Running Club (Year 5 to 6)

Team fitness, strength & conditioning training for our selected Year 5 and Year 6 students attending the FOBISIA Games in Thailand

W

Wind Down Sketching (Year 2 to 6)

Come join us for Wind Down Sketching every Wednesday between 3:15 and 4:00. Each week, we will practice different sketching techniques and create some beautifully sketched artwork. This ECA is open for children in Y2 - Y6 of all abilities.

Y

Yoga and Mindfulness for Beginners (Year 1 to 2)

This fun and gentle ECA introduces children to yoga-inspired movement, stretching, breathing exercises, and relaxation through games, stories, and music. Sessions will focus on helping children develop balance, coordination, confidence, and calm in a supportive and playful environment. This is a wellbeing and movement-based club rather than formal yoga instruction and is designed especially for Year 1 and Year 2 children. All activities will be safe, age-appropriate, and low-impact. See you there!

02. PAID ECAs

FOR PAID ECA, PAYMENT IS PER TERM AND CAN BE MADE EITHER IN CASH AT THE FRONT OFFICE OR VIA ONLINE TRANSFER.

YOU WILL NEED TO UPLOAD A SCREENSHOT OF THE RECEIPT USING THIS [LINK](#) TO INFORM THE SCHOOL THAT PAYMENT HAS BEEN COMPLETED. ONCE THE FORM IS SUBMITTED AS PROOF OF PAYMENT, THE ECA IS CONFIRMED.

PLEASE ENSURE PAYMENT IS MADE ON THE FIRST WEEK OF ECA.

B

Ballet (Pre Kindy to Year 3) Ms Stephanie

\$75/term

A fun Ballet class full of imagination, twirls and swirls.

Basketball (Year 1 to 6) OMNI

\$65/term

No matter your skill level, there's an OMNI basketball class tailored just for you! Join your age group to learn the basics of basketball, enhance your skills, or train to excel with your team.

C

Chess Coaching (Year 1 to 6) Coach Hira \$75/term

This ECA provides an opportunity for students who wish to take their chess skills to a more advanced level, as well as for those who aspire to become Grandmasters in the future.

Students will be coached by Pg Hira, Brunei's National Chess Champion and a qualified FIDE Instructor, and will develop strategic thinking, tactical awareness, and competitive play skills in a structured and supportive environment.

F

Football (Year 1 to 4) OMNI \$65/term

This ECA introduces young students to the fundamentals of football in a fun, safe, and supportive environment. Through age-appropriate drills, small-sided games, and structured teamwork activities, students will develop essential skills such as dribbling, passing, shooting, and basic positioning.

The sessions also focus on improving coordination, balance, and fitness while encouraging cooperation, communication, and fair play. Most importantly, the ECA aims to build confidence, promote positive sportsmanship, and nurture a lifelong enjoyment and love for the game of football.

G

Gymnastics (Year 1 to 6) Coach Gabby - run 6 weeks/sessions Reception (All level) to Year 1 Fundamental - \$45/term Year 1 to 6 - \$70/term

Gymnastics is excellent for developing strength, flexibility, coordination and what's more – students love it! Sign up for an ECA depending on your age and have fun performing your skills.

M

Music Lessons (Year 6 to 11). Guitar Group \$70/term Bass Guitar Group \$70/term

(Instruments are provided by the school but may not be taken home) The Guitar and Bass Guitar ECA is a fun and engaging program designed to teach students the fundamentals of playing these versatile string instruments. Led by an experienced instructor, the program creates an inspiring environment to develop their talents.

03. OFFSITE ECAs

FOR OFFSITE ECAs, PAYMENTS MUST BE MADE DIRECTLY TO THE VENUE OR SERVICE PROVIDER.

TRANSPORTATION TO THE VENUE IS NOT PROVIDED BY THE SCHOOL. THIS WILL NEED TO BE ARRANGED INDEPENDENTLY BY THOSE WHO SIGN UP FOR THESE ACTIVITIES.

A

Archery (Year 3 to 6) Arrafi Archery Sports Academy Centre \$90/term

Address: Airport Mall, 2nd floor, Unit 26 **Contact Number:** 8996334

Archery aims to expose students to the theoretical techniques and practice of traditional archery. We introduce various archery techniques up to the standard level. Run by the Ar-Rafi Archery Academy, the club aims to provide a platform to raise students' spirits and mobilise archery activities in sports. Come and join this fun and exciting club that strengthens the upper body and increases balance, focus and endurance.

K

Karate Shotokan (Year 1 to 13) Shotokan Karate Brunei Darussalam

\$33/term (Peak member) and \$55/term (Non-member)

Address: Peak Performance **Contact Number:** 8953016

Shotokan Karate practice strengthens the mind, develops composure, a clearer thought process, deeper insight into one's mental capabilities, and more self-confidence. It strengthens the entire body, improves coordination, quickens reflexes, builds stamina and overall health.

R

Rock Climbing (Year 3 to 13) Up Climbing Centre, Menglait - OMNI \$360/term

Venue: Up Climbing Centre, One Menglait **Contact Number:** 7290011

Students will get the chance to climb on a variety of different walls and will be challenged whatever their ability. Climbing is great for strength, confidence and for students to push themselves to the limit and feel a great sense of achievement. All climbing gear is provided. Come Climbing and lose yourself in the 'flow' of each climb.
